Burial Services – Specifications

The State of Tennessee, Department of Correction hereinafter shall be referred to as the “state” or “agency”.

The service recipient refers to the agency end user consumer, or using department, and hereinafter shall be referred to as the “agency authority” or “using department”.

The service provider hereinafter shall be referred to as the “contractor” or “vendor”.

The contract technical specifications and/or equipment specifications were submitted by, or have been reviewed and approved by, the agency authority end user.

A five (5) year contract is requested due to the fact that the services needed are repetitive, thus allowing uninterrupted service at a stable price.

Specifications for Burial:

1. Picking up the agency designated deceased and providing cloth cover wooden casket.
2. Grave space, opening/closing of grave.
3. Cremation optional
4. Metal or concrete vault or no vault (as meet state or county regulations). No embalming (as meets state or county regulation).
5. State to furnish clothing and chaplain.
6. No viewing, immediate graveside burial.
